FCC commissioner compares US media spending to other countries, says "we're doing so little"

Dr. Bill Silcock

How do we get the BBC model in the USA? Create a license fee

SPJ ASU

Anyone interested in journalism should be following #FCClive, "Information Needs of Communities"

Dr. Bill Silcock

Copps notes the licensing fee model used in Sweden, Britain and nearly every European (and global) country

Tom Ziegmann

We spend $1.35 per annum on public media. ~Copps

Dr. Bill Silcock

Copps "we have to find new mechanisms for non-profit--at some point we need a rational discussion about public media"
"We must find new ways to get philanthropic support." ~Copps #fcclive

Caitlin Cruz: Water bottles would be "product placement." There is definitely a @Starbucks cup next to author Steven Waldman... #awkward

Dr. Bill Silcock: "if important we don't have bottled water or coke isn't it just important to know who is contributing to elections?"

Copps talks about how the TV crew moved bottled water to cups so "no product placement on TV"

Copps: "disclosure for the sake of disclosure doesn't get you far up the road" #FCClive

polisoniccom: But what is "Public Interest"? A very fluid definition, made even more so in the digital era of abundance.
Anne Stegen  However I am lost as to how to make public interest interesting. #journalism
